

Magneto and Fluxtrol invite you to the Scientific and Technical Conference

Fluxtrol Magnetic Concentrators in Induction Heating

09-10.05.2024

Hotel Arche at Oleńki Street 20.
42-226 Częstochowa | Poland

The conference is dedicated to:

Everyone who wishes to expand their knowledge on induction heating, including the use of Fluxtrol magnetic field concentrators, engineers, and designers of induction heating processes, manufacturers, and users of induction heaters.

Opportunities for development:

During this event, experts from the fields of science and industry will share their experiences, latest achievements, and future perspectives in the area of applications of Fluxtrol magnetic concentrators in induction heating technology.

We provide:

A variety of technical presentations, discussion panels, and personal consultations with experts from Poland and the USA, which will enable the exchange of ideas and the opportunity to establish valuable connections with other professionals in the field. Furthermore, we will offer training materials, catering, and a certificate of attendance.

Participation Cost:

Part I: 500 PLN net per person [450 PLN for each additional person]

May 9, 2024, from 8:30 to 17:15

Parts I and II: 900 PLN net per person [850 PLN for each additional person]

May 9, 2024, from 8:30 to May 10, 2024, until 14:00.

Prices do not include accommodation costs.
